

International Conference on Contents, Computing & Communication 2019
(15th and 16^h March 2019)
Organized By

Department of Electronics and Telecommunication Engineering
Matoshri College of Engineering and Research Centre, Nashik
NAAC ACCREDITATED

Approved by AICTE New Delhi, DTE Mumbai, Govt. of Maharashtra & Affiliated to Savitribai Phule Pune University
in association with

ABOUT COLLEGE:

The Institute is approved by the All India Council of Technical Education (AICTE), New Delhi and Government of Maharashtra, and is affiliated to Savitribai Phule Pune University. The Institute in its infancy started in 2008 with six branches in Engineering. MCERC is established at Nashik- Aurangabad Highway, a land of 45 acres crystallizing long cherished dream of providing outstanding facilities for professional education in Maharashtra. Various undergraduate courses like Computer, Electronics and Telecommunication, Civil, Mechanical, Information Technology and Electrical Engineering are offered by the Institute along with PG course in Computer Engineering, Electronics and Telecommunication, Civil, Mechanical and Electrical Engineering. The Institute also possesses an approved and state of the art Research Centre for Computer and Electronics Engineering affiliated to Savitribai Phule Pune University. Institute is NACC Accredited. The institute is also listed in 2(f) and 12(b).

ABOUT CONFERENCE:

ICCCC19 aims to provide an international platform for researchers from both industry and academia to participate and state their research findings, discuss the latest advancements and explore future directions in emerging areas of Engineering. Prospective authors are invited to submit original technical papers for presentation at the conference and publication in the proceedings. Submitted papers should report on original research work that falls within the scope of the conference.

ABOUT DEPARTMENT:

The Department of Electronics and Telecommunication Engineering is established in the year 2008. The department is currently running Bachelors and Masters of Engineering courses in Electronics and Telecommunication Engineering and has research scholars enrolled for doctorate in areas like Antenna Design, VLSI, Optical communication etc. Ever since its inception, the department has been the hub of academic excellence. It is equipped with outstanding infrastructure and boasts of a unit of learned and dedicated faculty members and sincere staff. We provide excellent academic environment to the students and help them to acquire the skills which are required to excel in today's competitive environment.

CALL FOR PAPERS:

Original unpublished work is solicited for presentation at the International Conference on Contents, Computing & Communication 2019 (ICCCC 2019). All the selected papers will be published in journal. Papers are invited in the following domains but are not limited to

Computer & Information Technology :

- Soft Computing and Artificial Intelligence
- Data Mining and Information Retrieval
- Operating Systems and Compilers
- Neural Networks and Applications
- Computer Graphics and Visualization
- Networking and Cloud systems
- Parallel Computing
- Internet of Things
- Web Security, Privacy and E- Commerce
- Bio informatics and Bio Computing

Mechanical Engineering:

- Automation, Mechatronics and Robotics
- Automotive Engineering
- Industrial Engineering
- I.C. Engines, Turbo machinery and alternative fuels
- Vibration and acoustics
- Thermodynamics and heat transfer
- Intelligent Manufacturing
- Computational fluid dynamics & Heat transfer

Electrical Engineering:

- Power Electronics and Energy Efficient Drives
- Renewable Power Conversion Technologies
- Instrumentation and Control
- Power Quality Improvement Techniques
- Energy Storage System and Technologies
- Soft Computing Techniques in Power Systems

Civil Engineering:

- Structural Engineering
- Geotechnical Engineering
- Environmental Engineering
- Water Resource Engineering
- Construction Management

Electronics and Telecommunication:

- Micro Electronics and VLSI
- Antenna
- Signal Processing
- Robotics
- Smart Wireless and Sensor Networks
- Image Processing

CO CONVENERS:

- **Prof. D.D.Dighe**
Associate Professor,, Department of E&TC Engineering, MCERC, Nashik
- **Prof. Dr. J.J.Chopade**
Professor, Department of E&TC Engineering, MCERC, Nashik

ADVISORY COMMITTEE :

- **Mr. Akhtar Kalam**
Professor and
Head of External Engagement
College of engineering and Science
Victoria University
PO BOX 14428
Melbourne
